Dear

STAT

In response to your letter of June 22, 1983 requesting a student quota for the Intelligence Community Staff for Academic Year 1984-85, I regret that we cannot, at this date, make a definite commitment to support your request.

However, the Commandants of the Industrial College of the Armed Forces and the National War College have agreed to reallocate for your candidate on a priority basis any quota not utilized by other agencies. I encourage you to submit a nomination in case this situation arises; acceptance of your nomination will be determined by the Commandants of these Colleges.

Thank you for your interest in the National Defense University.

Sincerely,

Richard D. Lawrence
Lieutenant General, U. S. Army
President
